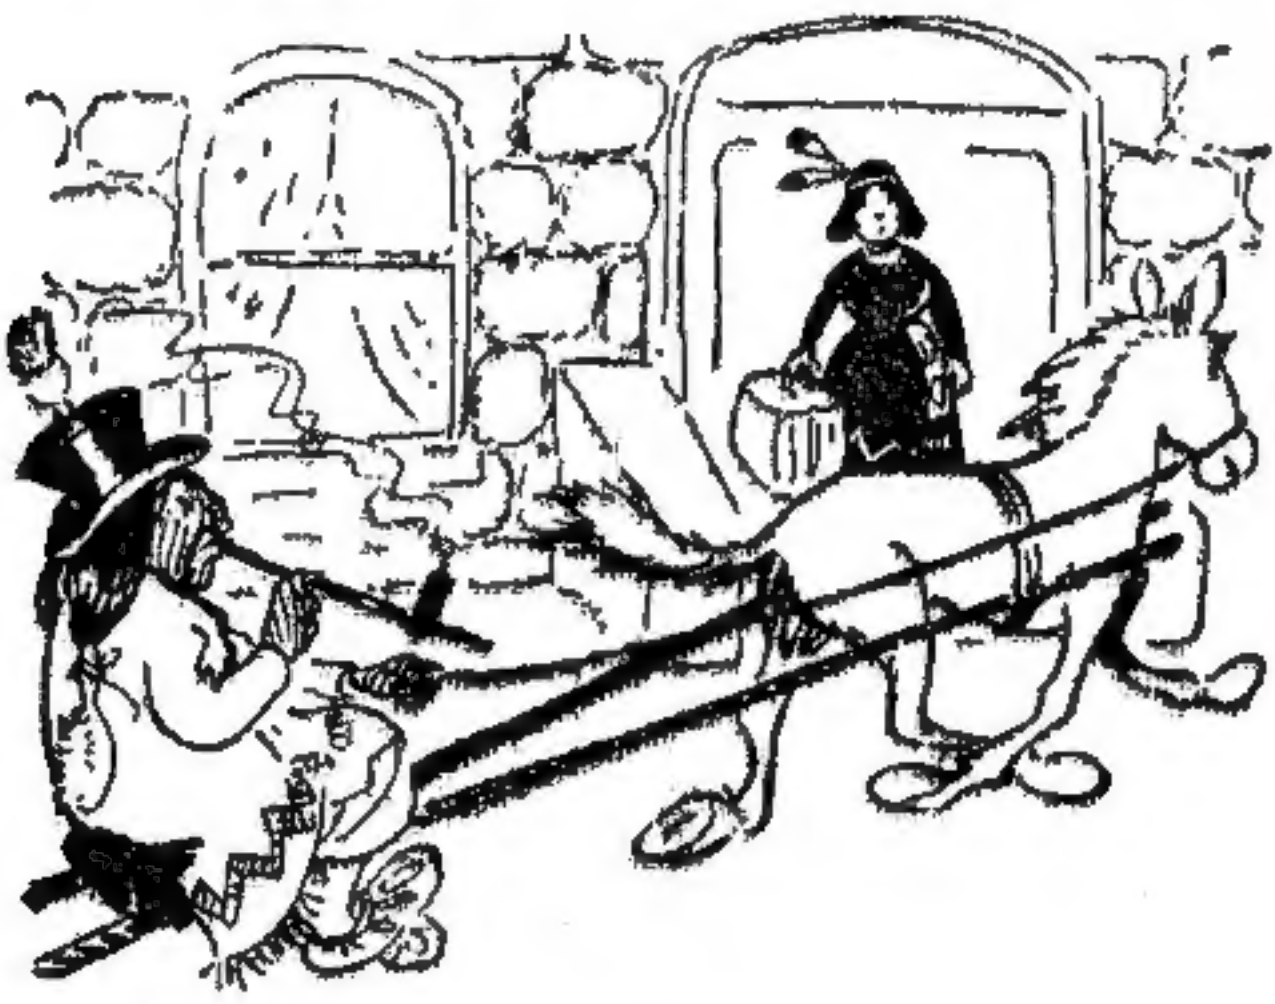
HOME CULTURE.

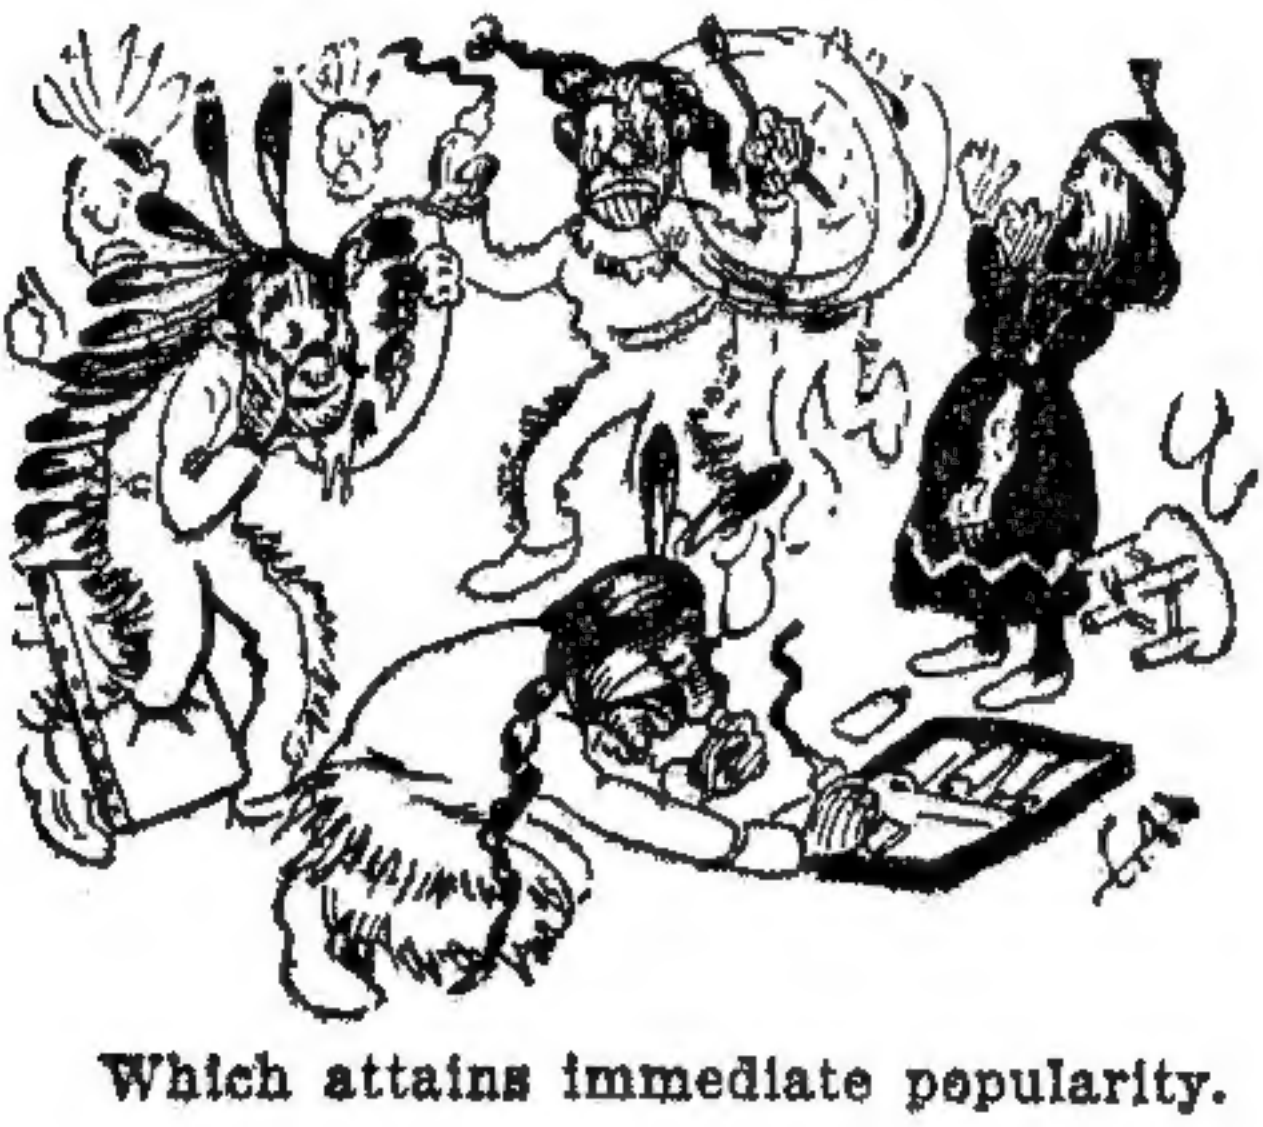
Miss Redfeather graduates from college with honors——



And returns to the——

Merry villagers at home.

She organizes a class in art



Which attains immediate popularity.

HOME CULTURE.

Miss Redfeather, having returned home from college, determines to instruct the young people at home in refined amusements.

So she introduces ping-pong.

Which becomes quite popular——

And affords plenty of athletic excitement.

MORE HOME CULTURE.

Miss Redfeather, during her college course, having dabbled in amateur photography——

Decides to introduce the camera into her rural circle——

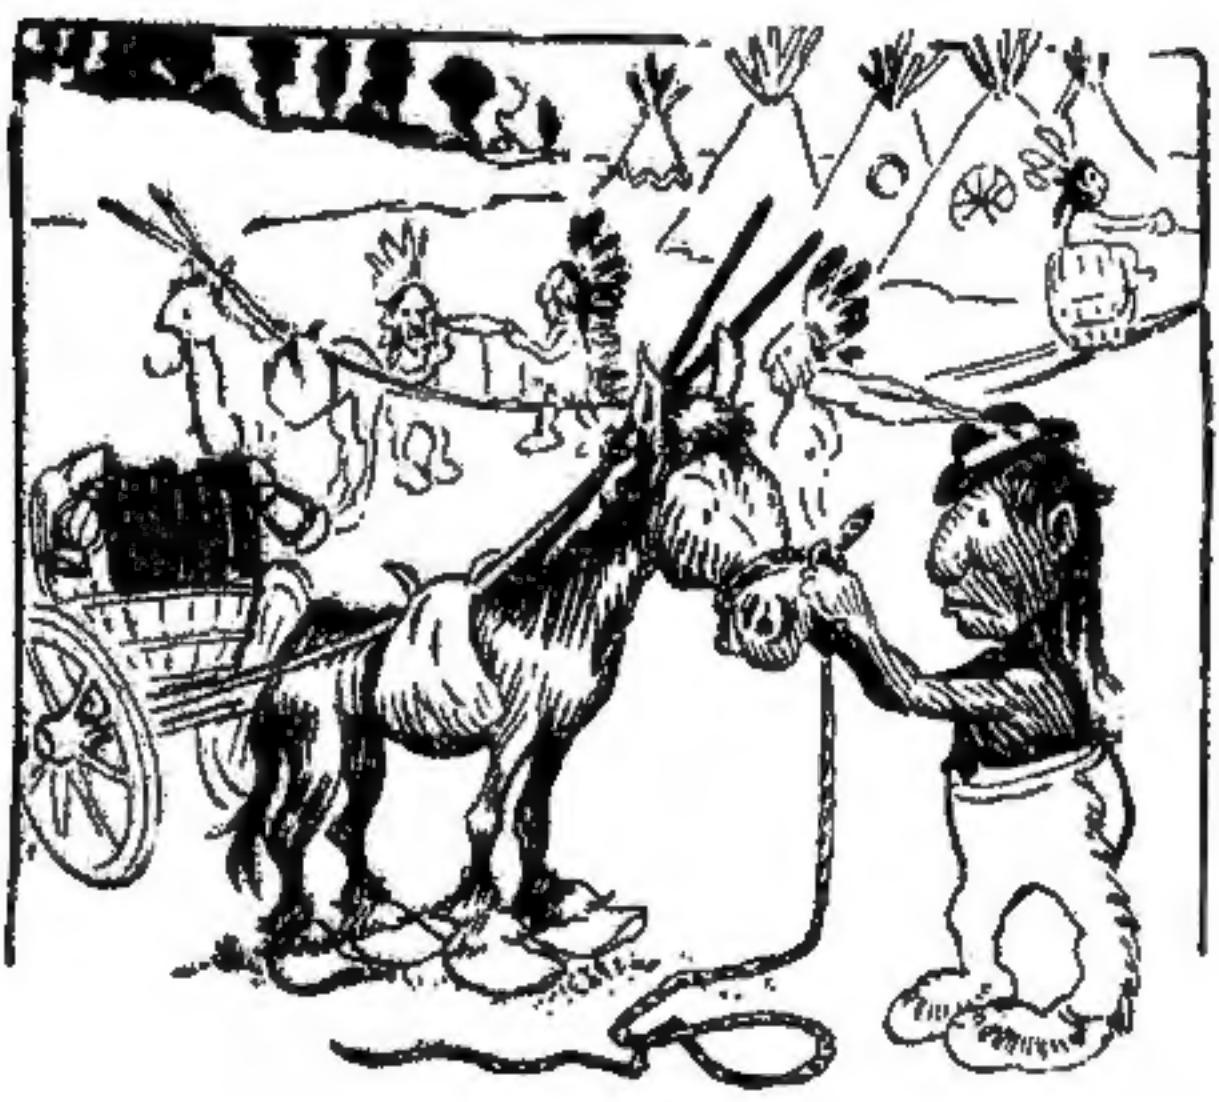
With the result that her efforts are perhaps too enthusiastically——

Seconded.

MORE HOME CULTURE.

Miss Redfeather, after receiving her college education, could not endure the primitive vehicles used at her rural home, so——

She sent for her automobile, and——



As a result the progressive younger element grew ambitious and——

Got up a few effective imitations.
